## ORANGE RIVER FAMILY SPECIAL 2019

**Join Bundi for our unforgettable 4 day Family river rafting experiences along the mighty ORANGE RIVER!**

The section of the Orange River we raft was chosen because of its sheer magnificent natural wealth and is suitable for the whole family for an outdoor adventure. It offers an adventurous journey while being safe and no previous experience is required. The Richtersveld National Park semi desert, through which the river runs, is one of the largest and most beautiful mountain deserts in the world that you will be able to explore with short hikes.

Our family trips were created with the families in mind and so these trips will consist of families only. Our trips are scheduled for specific departure dates during School holiday periods. The route is a shortened route, to ensure more time is spent on the outdoor experience. You will have ample time for hikes, fishing, swimming or just lazing around.

Sleeping on the river banks under the stars and enjoying our scrumptious cuisine will leave you recharged.

It is a relaxing, yet awesome trip with a few challenging rapids...

An easy-going tour down an African wonder!
