The Breede River

Only one hour's drive from Cape Town lies the Worcester section of the Breede River. It offers a dramatic landscape where the fast flowing channels and delta's of palmiet interchange with long dark pools and willow banks.

The cruise is ideal for first-time rafters, and our qualified guides ensure your safety. We take care of you from beginning to end. Whether it just be for a weekend getaway, team building expedition or just a bit of environmental awareness.

Our put-in point will see you onto the river through a maze of channels and into fast-flowing streams under overhanging trees. Spend the day on the Breede River; drifting, sunbathing, swimming and generally enjoying yourself.

We provide hearty, wholesome meals on the banks of the river, which can be enjoyed at leisure, accompanied by pre-arranged wines from the Worcester valley back in our base camp.

This adventure is suitable for young and old, swimmers and non-swimmers, fit and the not so fit. We can cater for all your requests.
